

## **Exhibition quality digital printing (Liverpool)**

If you have a project that you'd like to get printed, this workshop will show you how to achieve high quality digital print output.

The workshop will be run by Tim Daly and based at the Wilkinsons Store in Liverpool. You will learn how to create a colour managed workflow for producing exhibition quality prints using inkjet and digital c-type systems.

The workshop starts from scratch and will enable delegates to fully control their editing processes using Lightroom or Photoshop. You will also receive 2 large format images for free to take away with you at the end of the day.

### **What to Bring:**

**YOU WILL NEED TO BRING YOUR OWN LAPTOP WITH A VERSION OF PHOTOSHOP OR LIGHTROOM ALREADY LOADED.**

Delegates will need to bring their own lunch.
